Millard South took a small brigade of seven to the Huskerland State Wrestling Tournament. The competition was fierce and the Patriots had their job set out for them. The Patriots place six of the seven in the top three, four of those six were in the championship bout, and two emerged not only state champions, but also champion of champions. This means they beat the champion of the eight-man bracket next to theirs. The Patriots emerged runner-up in Class-D as a team. The runner-up finish this year makes it the seventh straight year the Patriots have finished in the top two placings at the Huskerland State Wrestling Tournament. Congratulation to all the wrestlers that participated and lookout for those eight graders next year when they join their fellow high school Patriots to defend the state title!

A lot of the competitors were from clubs that Millard South had not met yet, so it was a good experience to wrestle someone new. The patriots put 6 in the finals with 5 being crowned as champions. The Millard South Patriots were a squad of 14 when they ventured to Grand Island on March 12th to participate in the 2006 USA Folkstyle tournament. The competition was tough and at times brutal. The Patriots put 6 wrestlers in the finals with 4 emerging as champions. The 4 that secured championships are eligible for the USA State Triple Crown award if they emerge champions at the USA State Freestyle/Greco-Roman Tournament on May 6th.

Huskerland Duals:

The Millard South 6th-8th grade dual team ventured to Grand Island to compete in the 2006 Huskerland State Duals. The Patriots had a difficult task ahead of them if they were to continue the seven-year tradition of bringing home a State Dual Championship. The odds were stacked against the Patriots from the start. They had open weights at 120 and 130 lbs. They also had no alternates to replace a wrestler in case of an injury. Even with the odds stacked against the Patriots, they were able to overcome the adversity and brought home the Class B State Dual Championship. Congratulations young Patriots!

Many of our club wrestlers also wrestle for their middle school. On 1-19-06 Russell Middle School had its annual take down tournament. All six Millard middle schools were in attendance. Millard South Wrestling Club had six of its members participating. Out of the six, five were in the finals and four emerged champions!

Plattsmouth: This was a huge showing for Millard South. With thirty-eight wrestlers, the Patriots charged the den of the Blue Devils. Twenty-six of the thirty-eight made it to the finals and twenty were crowned champions. This was a spectacular day for the novice team, earning themselves the third place team plaque!

CoC means champion of champions. It means that they wrestled and beat the champion of the bracket above them.

This was another tournament that the Patriots were low in numbers, but strong in character. Eleven of the Patriots invaded the nest of the Blue Jays. Eight of the eleven made it to the finals, 5 were crowned champions, and two were Champion of Champions. This was a nest burner!

Millard West: Millard South invades the Wildcats' den with forty wrestlers. Twenty-five of the forty emerge to the finals and eleven were crowned champions. The Patriots were geared up to show their skill and poise.

UNO Holiday:

This was the Travel and Competitive Teams 3rd tournament of the year and first tournament for the Novice Team. Forty wrestlers represented us from all three levels of the club. Out of the forty wrestlers that competed, twenty-three were in the finals and eleven emerged as champions. The Novice Team brought home the team trophy for the second year in a row. Congratulations coach Redding and staff! This was an outstanding performance of our wrestlers against some tough competition from the Omaha Bears, the Exploratories, KWAA, Gross and many more.
